About Our L.L.C. Company

At Veritech Arabia L.L.C., we stand at the forefront of General Trading, spearheading Domestic and International Trade ventures. Specializing in Petroleum Refined Products, Gases, Fertilizers, and an array of Grains and Foodstuffs Commodities, we proudly operate from our esteemed registered office in Dubai, United Arab Emirates, with an additional strategic branch office located in Baku, Azerbaijan.

Established in 2003 by Mr. Zia Ahmed Chaudhry, Veritech Arabia L.L.C. embarked on its commercial journey in Dubai, UAE, initially operating as a Commercial Brokerage Company. The company underwent a pivotal transformation in 2007, transitioning to an L.L.C (Limited Liability Company) to align with prevailing operational laws.

By 2019, Veritech Arabia redirected its focus to specialize in General Trading, delving into both domestic and international trade sectors.
